

Photographic competition: 2022

To celebrate the 50th Anniversary year of the setting up of the Vale of Evesham Civic Society we are holding a photographic competition for those aged between 5 and 18.

The subject is 'Evesham's Historic Heritage'. We are looking for good quality photos that capture a subject that means something to you about the history of the town and how this can be seen in its streets and buildings.

Entries must be in digital format, saved so that they are less than 2mb in size. Only one entry is allowed per person.

The entry should be sent by email to the Chair, Gill Pawson at gillandkenpawson@icloud.com. The email must state your name and age and confirm that you have your parent's permission to submit the entry and that it is all your own work. The photograph should not have been entered into any other competition.

The closing date for the entry is 10 September 2022.

Judging will then take, with entries divided into the following age groups:

Age 5-7; Age 8-11; Age 12-15 and Age 16-18.

The prize will be a mounted print of the entry that comes first, second and third in each age group. The winning photos will be displayed in the Circle Bar at the Regal Cinema, with the winners invited to the announcement at the beginning of October. The photos will be displayed for the month of October, after which the winners can claim their photo to take home.
